To all our customers

With the current global crisis we are writing to you with the following information:

For any bookings with an arrival date on or before 21 May 2020, we will allow guests to move the start date of their booking by up to 12 months, subject to availability and subject to any difference in rental. For now, normal terms & conditions will continue to apply for bookings with a later arrival date. However, we will keep this under review and may need to push this date out.

While it's clear to all of us that the coronavirus has deeply affected our community, we know that this moment will pass and travel will be back

Thank you for your understanding and patience whilst we deal with these ever changing circumstances. Should you have any queries about the initiative outlined, then please contact us on: **bookingscef@gmail.com**

Kindest regards
